Spring Harvest is a teaching and worship event for everybody.

It's a unique break for all the family: holiday, festival, conference, and an encounter with God.

Join thousands of Christians for life-changing days of learning, growth and spiritual refreshment.
BIBLE TRUTH AND HOLY SPIRIT POWER
Our twin priorities are to deliver excellent Bible teaching and seek God’s presence through Spirit-led worship. Top Bible scholars will help us better understand God’s word – and gifted lead worshippers will help us honour and draw near to our holy God.

FROM TODDLERS TO SENIORS
All ages and abilities can learn in their own way, as the event theme runs across the whole age spectrum and throughout the day. The event is accessible for all, with top quality content in children’s and youth programmes and provision for people with disabilities and additional needs.

HOLIDAY TIME!
Whether it’s on the beach, in Splash Waterworld, at the fairground or an All-age Celebration, enjoy quality time with family and friends. Your Butlins accommodation will be clean and well-maintained - choose a simple low-cost room or a spacious apartment. Dining packages can be added if you wish.
We want to create space to encounter him. By that encounter, we are equipped to engage in our world and empower others to join in. We become a team of game changers in our society, transforming communities in the name of Jesus.

We’ll be exploring different ways to worship and pray, discovering how we can make space, physically and mentally, to meet with God in our everyday lives, wherever we are. Do we dare to dream what the impact of that could be?

Our case study is Moses. The long-lasting impact he made for the kingdom of heaven started when he met with God at the burning bush. From that encounter he was emboldened to speak up and stand up for the freedom of his people. God continued to meet with Moses and chose to work through him in astounding ways, not solo, but as part of a team that made history together.

Let’s gather in 2016 to acknowledge the noise of our culture and our busy lives and find space to encounter the living God afresh. We want to explore where the Church stands in our society and what impact our encounters with God could have on those around us. What might it mean for our communities if we better understood God’s perspective and stood up for it? Could we change the game?

Jesus is at work, constantly doing new things by the power of his Spirit. The exciting question is: Do we want to join him?

Our encounters with God cause change, our encounters with others can do the same. God can impact every sphere of human experience. In every circle of our influence, his presence makes us game changers.

We start where we are, tuning in to God’s voice, working together and empowering the next generation.

Together, we can change the world.
PROGRAMME

THE BIG START*
All ages come together for a high-energy start to the day in the main venue or on your chalet TV. We explore the daily theme and Bible passage with prayer, art, singing, drama and more.

BIBLE TEACHING*
Each full day there's a meaty chunk of great teaching from someone who knows the Bible and how to communicate. We start with worship and finish with a short time to reflect.

For the rest of the day, choose from a huge variety of content designed to meet you where you are...

There is more Bible teaching and exploration of the theme, help with answering tough questions, stories to inspire you, workshops and practical courses to help you transform your community and build God’s kingdom. Plus special sessions to train and support parents and leaders. There are matinees and activities for all ages – and more opportunities than ever to worship in different styles or spend time in prayer. Then of course you can enjoy the amazing Butlins facilities including Splash Waterworld, the fairground, playgrounds and beautiful nearby beaches.

CELEBRATIONS*
Evening worship, preaching and response come in varying styles, to help you find the best way to connect with God. Gather with thousands in the main venue, worship in a smaller alternative meeting or join the informal all-age celebration.

ENTERTAINMENT
Comedy, music, theatre, dance, debate and discussion – complete your day relaxing with friends.

*Sessions from the main venue are also broadcast to the TV in your accommodation.
Whether you’re three months or 18 years old, Spring Harvest has the right programme for you.

These run at the same time as the adult morning sessions so you can relax knowing your kids are learning and having fun. Everyone over eight can also enjoy an age-specific evening celebration.
CHILDREN

Energetic fun-packed sessions for kids are led by some of the UK’s leading children’s ministry specialists. Following the same theme material as the adults and teens, Spring Harvest youngsters explore the Bible in age-appropriate ways.

It’s about growing in relationship with Jesus, learning from the Bible, knowing you’re part of something bigger – and having tons of fun along the way!

YOUTH

Spring Harvest gives 11-18s the time of their lives: outstanding venues, new friends, inspiring worship, life-changing Jesus moments plus barrel loads of fun and action around the resorts.

Passionate leaders create inspirational gatherings for Bible learning, worship and encouragement. We want to see young people become game changers for Christ, so get ready for the time of your life!

ALL-AGE CELEBRATION

Spring Harvest is a leader in intergenerational ministry. That means we love it when all ages get together to learn and worship! The day begins in the main venue with The Big Start where everyone discovers the daily theme through drama, songs and fun activity.

In the early evening there are two hour-long, interactive all-age celebrations ideal for families with children under eight. Lively and interactive, they focus on the daily theme like all the other celebrations.

There are also matinees and afternoon activities that cater for all ages.
With multi-million pound facilities on offer at Butlins, Spring Harvest is more than a conference.

Many of the activities and facilities are FREE, so you can enjoy a great holiday without extra costs.

BRING YOUR FRIENDS AND FAMILY

Spring Harvest is even better in a group. It strengthens relationships, gives you the chance to spend quality time with church friends and injects fresh life to church community. Teens and children are envisioned when they see that they’re part of something big and vibrant.

Some churches share catering, babysitting and outings together; others do their own thing and meet up once or twice.

We offer resources and advice to help you encourage and organise others to join you. Call us to order posters, DVDs and brochures.

GENERAL INFORMATION

We strongly recommend that you insure against cancellation or curtailment of your holiday. Butlins offer this at £20 for 4 nights or £25 for 5 nights per unit of accommodation. Ask for details of cover and exclusions.

Amendments to your booking can be made by calling the resorts: Minehead 0845 070 4764, Skegness 0845 070 4753. An amendment fee may be applied for changes to your booking.
