

# Role Description

# Prayer Support

# SPRING HARVEST

---

## Summary of the role

If you are already coming as a guest to Spring Harvest and have experience of and a passion for praying with people, we would love for you to come alongside our pastoral team and support them in praying for guests during times of prayer ministry.

You will need to have experience in prayer or pastoral ministry within your local church.

---

### WHAT YOU WILL BE DOING:

As a Prayer Ministry volunteer, you support the Pastoral Team in listening to and praying with guests following evening celebrations. You may also be called on to offer prayer support during afternoon meetings where the session may be on a sensitive topic.

We look to model prayer ministry to the wider church community, so where appropriate in the evenings, this will take place at the front and sides of the venue. There will be appropriate space available for more confidential prayer.

### WHAT YOU WILL NEED:

- To be involved in prayer ministry teams or equivalent in your local church or in a wider Christian context
- To attend a short briefing meeting to meet the Pastoral Leader at the start of Spring Harvest

Spring Harvest appreciates the wide diversity of church backgrounds represented among guests, and to minimise the risk of causing offence or distress, prayer ministry volunteers will be asked to comply with our prayer ministry guidelines. This may mean that some routine practices in home churches may not be appropriate.

### VOLUNTEERS MUST BE:

- over 18 years of age
- able to provide referee details
- happy to work within the EA Basis of Faith and Lausanne Covenant
